

Safeguarding Policy

Braywood Cricket Club is committed to ensuring that all children (under 18) participating in cricket have a safe and positive experience.

We will do this by:

- Recognising that children participating in cricket (regardless of age, gender, race, religion, sexual orientation, ability or disability) have a right to have fun and be protected from harm in a safe environment.
- Ensuring that individuals working within cricket at or for our club provide a safe, positive and fun cricketing experience for children.
- Adopting and implementing the England & Wales Cricket Board (ECB) Safeguarding Policy.
- Appointing a Club Welfare Officer and ensuring that they attend training modules required by the ECB and the NSPCC so that they have the necessary skills to be able to undertake their role effectively.
- Ensuring that all people who work in cricket at or for our club, (such as officials, volunteers, team managers, coaches) understand that the Safeguarding Policy applies to them according to their level of contact with children in cricket.
- Ensuring that all individuals working within cricket at or for the club are recruited and appointed in accordance with ECB guidelines.
- Ensuring that all individuals working within cricket at or for the club are provided with support through education and training so that they are aware of and can adhere to good practice and code of conduct guidelines defined by both the ECB and the club.
- Ensuring that the name and contact details for the Club Welfare Officer are available as the first point of contact for parents, children and volunteers within the club,
 - as a source of procedural advice for the club, its committee and its members,
 - as the main point of contact within the club for the ECB County Welfare Officer and the ECB Child Protection Team,
 - as the main point of contact within the club for relevant external agencies in connection with child welfare.
- Ensuring that correct and comprehensive reporting procedures exist for raising and managing safeguarding and child protection concerns. Such procedures will recognise the responsibility of the statutory agencies and will be in accordance with pre-defined safeguarding and child protection procedures as defined by the ECB, statutory agencies and Local Safeguarding Children Board guidelines and policies.
- Providing everyone connected with the club (including parents, children and volunteers) with the opportunity to voice any concerns which they have about possible suspected child abuse or about poor practice to the Club Welfare Officer.
- Ensuring that all suspicions, concerns and allegations are taken seriously and dealt with swiftly and appropriately.
- Ensuring that access to confidential information relating to child welfare matters is restricted to the Club Welfare Officer and the appropriate external authorities as specified within ECB safeguarding and child protection procedures.
